

The management of the studbook Manouria emys has changed in March this year.

The new studbook keeper is now Rob Vocht.

Co studbook keeper is still Henk Zwartepoorte.

The latest changes in the manouria emys studbook are the total of registered animals and keepers.

2010 started with 111 registered animals

By 1 April 2011 there are now 152 animals registered.

Most of these added animals are from birth , newly listed keepers and animals that have been tranfered to keepers that already have animals listed in the studbook .
